Celebrating 50 Years of Mountain Pizza & Steak House

This year marks a momentous milestone for us at **Mountain Pizza & Steak House—our 50th anniversary!** Since opening our doors in **Edson on February 15, 1975**, we've had the privilege of serving our community with delicious food, warm hospitality, and a commitment to excellence.

What began as a family dream, brought to life by the Kazoleas family, has grown into a cornerstone of our community. In **1989**, Emmanouil Kazoleas expanded the restaurant, adding 90 seats and a new kitchen, paving the way for the next chapter. It was during this time that his son James joined the business, becoming a partner and ensuring that the family values of hard work, quality, and care continued to shine.

For five decades, you, our loyal guests, have been the reason for our success. Your support, patronage, and love have turned Mountain Pizza & Steak House into more than just a restaurant—it's a place where memories are made, milestones are celebrated, and connections are strengthened.

As we celebrate this incredible journey throughout 2025, we want to express our deepest gratitude to each and every one of you. Thank you for choosing us, for supporting us, and for allowing us to be a part of your lives for the past 50 years. This milestone is as much yours as it is ours.

We look forward to honoring this occasion with special celebrations and continuing to provide you with the same high-quality food, excellent service, and welcoming atmosphere you've come to love.

Here's to the past 50 years and to the exciting future ahead. Thank you for being part of our story—we can't wait to share the next chapter with you!
