### Emmanouil Kazoleas

On November 21, 2016 Emmanouil passed away at the age of 75. He was a man with a huge heart who believed in honesty and integrity with a willingness to help those who needed it.

His passion for fresh, consistent, quality food and exceptional customer service was the foundation of his dream. You would often see him working at various aspects of the restaurant, engaging in conversation with the staff and customers with that endearing twinkle in his eyes.

Joanne and her staff are honoured to carry on Emmanouils dream and would like to thank Whitecourt and surrounding areas for your loyalty throughout the years.

Without our customers, we would not be where we are today.

*Local Favourite for over 40 years*  
Serving both Edson & Whitecourt

In December 1979, Mountain Pizza & Steakhouse opened its doors in Whitecourt, located in Mountain Mall where it still remains today.

A commitment to quality food & excellent service has made it a multi generational favourite on Highway 43 for over 40 years; where our staff have shared in many celebrations and memories with our customers.

Whether having a relaxing drink in our Big Horn Lounge, a family dinner in our cozy dining room, a meeting in the banquet room or a pizza to take home, we strive to make each visit better than the last!
