Emmanouil Kazoleas

On November 21, 2016 Emmanouil passed away at the age of 75. He was a man with a huge heart who believed in honesty and integrity with a willingness to help those who needed it.

His passion for fresh, consistent, quality food and exceptional customer service was the foundation of his dream. You would often see him working at various aspects of the restaurant, engaging in conversation with the staff and customers with that endearing twinkle in his eyes.

James, family, Lacey and staff are honoured to carry on Emmanouil's dream and would like to thank Edson, Whitecourt and surrounding areas for your loyalty throughout the years. Without our customers, we would not be where we are today.

Local Favourite for over 50 years

Serving both Edson & Whitecourt

The Kazoleas family opened the doors to Mountain Pizza & Steakhouse in Edson on February 15, 1975.

In 1989, Emmanouil Kazoleas expanded the popular restaurant by adding 90 seats and a new kitchen. During this time, his son James entered the business and became partners with his Dad.

Mountain Pizza & Steakhouse, operating for over 40 years, prides itself on being a family run business. It's continued success can be attributed to high quality and consistent food as well as top notch service standards.
